Extension of the Public Comment Period in the Matter of a Significant Modification to the Clean Air Act Permitting Program Permit for Midwest Generation, L.L.C., Waukegan Generating Station through October 5, 2015

To ensure that the public has time to examine and comment on this project, the comment period in this matter has been extended through October 5, 2015. All relevant comments physically received at the Illinois EPA headquarters building in Springfield by October 5, 2015 will be considered by the Illinois Environmental Protection Agency in making a final decision in this matter. Those who desire to submit comments other than by USPS or courier mail, may contact the hearing officer on or before October 1, 2015 to make appropriate arrangements. All comments should reference "Waukegan Generating Station" in the subject line of the comments and must be received no later than October 5, 2015.
