## Mahomet Aquifer Source Matrix 1 **IEPA Source** Suggested draft for discussion Other On Water Covered by Env Specific IEPA SWAP Protection -Agencies involved in Specific Subcommittee A classification Protection Act Regulations Public Wells addition to IEPA Type Potential Source site Regulations Point Source Pollution Yes **Potential Source** Yes Legacy Sites: Pre-law landfills Yes Local governments Pre-law "dumps" **Potential Source** Add Local governments Yes Yes **Contained Threat** Closed cleanup sites Yes Yes Yes Yes Site specific Closed military bases Monitored Threat Yes Yes USAF - Chanute Abandoned wells **Potential Pathway** Yes Yes Yes PRI **Routinely Monitored Active or Potential Sources:** Monitored Potential Source Landfills Yes Yes Yes Yes Coal ash impoundments Assess if any are over the aquifer Yes ? Yes IDNR Mines and Minerals? Underground storage tanks **Potential Source** Yes Yes Il State Fire Marshall? Yes Yes Wastewater discharges Monitored Potential Source Yes Yes Yes Waste injection wells Monitored Potential Source USEPA Yes Yes Yes ves? Sites Monitored to due to Existing Contamination: **Monitored Threat** Yes USEPA Enforcement cleanups - haz waste sites Yes Yes Yes yes Voluntary cleanups - hazardous waste sites **Monitored Threat** Yes Yes Yes USEPA yes Yes Added? IDNR - Oil and Gas Natural gas storage wells Threat Yes Yes ves + new Coal mine refuse Needs assessing Yes ? IDNR Mines and Minerals ? Unmonitored Potential Sites: Agricultural Agricultural chemical facilities **Potential Source** Yes Yes Animal feed lots **Potential Source** Yes Yes IDOA? Drainage wells **Potential Source** Yes Yes Material Stockpiles - including salt Storage + treatment Threat Yes Yes Above ground storage tanks **Potential Source** Yes Yes Surface impoundments **Potential Source** ? Yes Yes Waste piles **Potential Source** Yes ? Yes **Potential Source** Waste tailings Yes Yes **IDNR Mines and Minerals Potential Source** Other Hazardous waster generators Yes Yes Industrial + manufacturing facilities **Potential Source** Yes Yes Material transfer operations **Potential Source** Yes Yes Mining and mine drainage Assess if any are over the aquifer IDNR Mines and Minerals Yes Yes Pipeline breaks **Potential Source** Yes Yes Transportation spills **Potential Source** Yes Yes IDOT, IEMA Urban runoff **Potential Source** ? Yes Non-Point Source Pollution ? Road salt application Threat IDOT ? Agricultural fertilizer (+ Fertigation) Threat IDOA Agricultural Chemicals ? IDOA **Potential Source** Natural Contamination Brine up flow from bedrock **Potential Source** No Arsenic Threat No Public Health
