

Illinois Environmental Protection Agency

Public Notice of Public Availability Session

Veolia ES Orchard Hills Landfill, Inc. in Davis Junction
and
Winnebago Landfill in Rockford

The Illinois EPA is holding an Public Availability Session on:

Tuesday, May 31, 2011

3:00 pm - 5:00 pm and 6:00 pm - 8:00 pm

New Milford Fire Department, 2177 Will James Road in New Milford.

Members of the Illinois EPA, the landfills, and county health department will be on hand to answer questions about operations at the landfills. The public is invited to attend. The Public Availability Session is an “open forum” and people are welcome to come anytime during the hours listed above.

Both landfills currently have applications before the Illinois EPA Bureau of Air to revise construction permits for the landfills. Veolia ES Orchard Hills Landfill is located at 8290 Highway 251 South in Davis Junction and Winnebago Landfill is located at 8403 Lindenwood Road in Rockford.

The Illinois EPA is accepting written comments on the draft revised construction permits after the Public Availability Session until June 10, 2011. Requests for information, comments and questions should be directed to Brad Frost, Division of Air Pollution Control, Illinois Environmental Protection Agency, PO. Box 19506, Springfield, Illinois, 62794-9506, phone 217/782-2113, TDD phone number 217/782-9143. Persons wanting more information may obtain copies of the draft permits at <http://www.epa.gov/reg5oair/permits/ilonline.html> or from the contact listed above.
