LISA BONNETT, DIRECTOR

MEMORANDUM

DATE: June 12, 2013

TO: Stakeholders

FROM: Joanne M. Olson, Illinois EPA, Assistant Counsel

SUBJECT: Stakeholder Meeting on Draft Regulations for Coal Combustion Waste Surface Impoundments at Power Generating Facilities

Meeting Purpose

Illinois EPA plans to propose general rules for groundwater monitoring, corrective action, and closure of coal combustion waste surface impoundments at power generating facilities in a new Part 841 of Title 35 of the Illinois Administrative Code. A stakeholders' meeting, sponsored by the Governor's Groundwater Advisory Council (GAC), will be held to obtain your input on the draft rules.

Members from the following groups have been invited to participate as stakeholders: Ameren, Dynegy, City Water, Light & Power, Electric Energy, Inc, Environmental Integrity Project, Environmental Law and Policy Center, Exelon, Illinois Environmental Regulatory Group, Kincaid Generation, Midwest Generation, Office of the Attorney General, Prairie Power, Prairie Rivers Network, Prairie State Generating Company, Sierra Club, and Southern Illinois Power Cooperative. Illinois EPA looks forward to meeting with everyone and receiving your input on the draft rules.

The stakeholder meeting will be held on June 27, 2013, at the Illinois EPA's Springfield Office, 1021 North Grand Ave East, Sangamon Conference Room, from 1:00 to 3:00 PM.

The North Entrance is the closest entrance near the Sangamon Conference Room. The North Entrance parking lot can be accessed from 11th St. to the east or Converse St. to the north. Additional parking is available off North Grand Ave. and a fenced lot north of the Illinois EPA. Guests are required to check in at the guard station. There will be signs inside the building directing you to the Sangamon Room where the meeting will be held.
