

## No Public Hearing Requested

On December 21, 2012, the Illinois Environmental Protection Agency published a Notice of Public Information in the *Illinois Register* noticing a public comment period on variances granted by the Illinois Pollution Control Board to Midwest Generation, LLC – Waukegan Generating Station and Ameren Energy Resources for the purpose of submitting such variances to the United States Environmental Protection Agency as a revision to the Illinois State Implementation Plan under the Clean Air Act. *See*, 36 Ill. Reg. 17938. Provision was also given in the notice for a public hearing to be scheduled in this matter, if a timely request for a public hearing was received by January 21, 2013.

Pursuant to the published notice, the Illinois EPA is required to post verification of a public hearing on its website on January 28, 2013. Since no request for a public hearing has been received, no hearing will be scheduled. The public comment period has ended, but the Illinois EPA will accept any public comments in this matter that have been postmarked on or before January 21, 2013.
