

Verification that No Public Hearing Will Be Held

On September 27, 2013, a Notice of Public Information was published in the *Illinois Register* noticing a public comment period for a variance granted by the Illinois Pollution Control Board to Midwest Generation, LLC for the purpose of submitting such variance to the United States Environmental Protection Agency as a revision to Illinois' State Implementation Plan under the Clean Air Act, 42 USC § 7401 *et seq.* The notice specified that a public hearing would be scheduled in this matter if a timely request for a public hearing was received by October 28, 2013. No requests for a public hearing were received.

Pursuant to the published notice, the Illinois EPA is required to verify whether a public hearing will or will not be held on its website by November 8, 2013. Since no request for a public hearing has been received, no hearing will be held in this matter.
