The Illinois EPA has cancelled the hearing on a draft renewed National Pollutant Discharge Elimination System (NPDES) permit with modifications for Illinois Power Generating Company, Newton Power Station. The hearing was originally scheduled to take place on Thursday, April 23, 2015 at 6:00 p.m. in the Jasper County Courthouse, 100 West Jourdan Street, Newton, Illinois.

This hearing will not be conducted, but anyone that had planned to attend this hearing is urged to submit written comments to the Illinois EPA. Written comments will be given the same consideration as comments received during a hearing, had a hearing been conducted. The draft permit can be viewed online at the Illinois EPA website at (please copy the website into your browser window): <http://www.epa.illinois.gov/public-notices/npdes-notices/index#illinois-power-generating-company>.

Written comments must be physically received no later than May 26, 2015; mailed comments must be postmarked in sufficient time to arrive at Illinois EPA by May 26, 2015.

E-mails with written comments must be sent to epa.publichearingcom@illinois.gov and should specify **Newton Power Station NPDES or IL0049191 in the subject line.** Email comments originating on third party systems or servers intended for submittal of multiple emails of the same or nearly the same content will not be accepted without prior approval from Hearing Officer, Dean Studer. Comments need not be notarized and should be sent to:
