Name and Address of Discharger:

Valley View Industries
8785 East 2500 North Road
Cornell, IL 61319

Name and Address of Facility:

Valley View Industries – Chenoa Quarry
1100 North Road
Fairbury, IL 61739
(Livingston County)

The Illinois Environmental Protection Agency (IEPA) has made a tentative determination to terminate coverage under the NPDES permit for the above named discharger.

Discharge no(s):	001 and 002
Type of Waste:	Stormwater and Pit Pumpage (001 and 002)
Flow Rate:	0.032 MGD (001) and 0.032 MGD (002)
Classification:	General Use
Receiving Waters:	Rooks Creek (001) and Tributary to Rooks Creek (002)

The Agency intends to terminate coverage under the subject permit because the facility has not opened the mine, does not plan to begin mining and does not plan to have discharges.

Interested persons are invited to submit written comments to the IEPA at the above address. The NPDES permit and notice number(s) must appear on each comment page. Any interested person may submit a written request for a public hearing, stating his or her name and address, the nature of the issues proposed to be raised and the evidence proposed to be presented with regards to those issues.

The application, Public Notice/Fact Sheet, comments received, and other documents are available for inspection and may be copied at the IEPA between 9:30 a.m. and 3:30 p.m. Monday through Friday.

All comments on the intended termination of the permit and requests for hearing must be received by the IEPA not later than 30 days from the date of this publication. If written comments or requests indicate a significant degree of public interest, the permitting authority may, at its discretion, hold a public hearing. Public notice will be given 45 days before any public hearing. For further information call the Public Notice Clerk at 217/782-0610.
