ILLINOIS ENVIRONMENTAL PROTECTION AGENCY

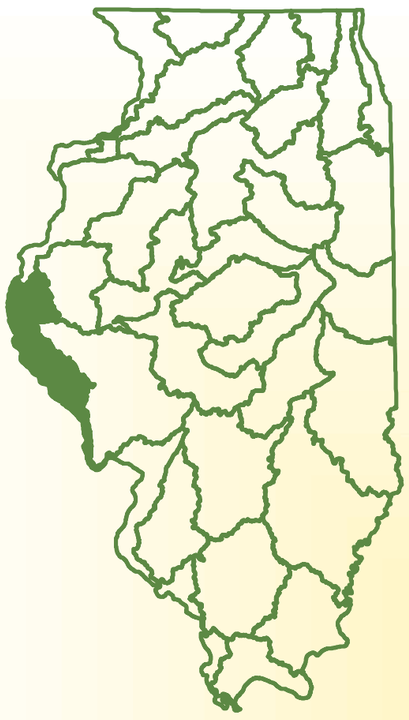

Waterbodies identified in the table are on Illinois' 2016 303(d) List.
Impaired Waters are those that have been assessed as not supporting at least one designated use.
Stream names are in lower case; lake names are in upper-case.
Assessment Unit ID's (AUID) are also shown in upper case. Size is given in miles for streams, and acres for lakes.

Mississippi North Central Watershed

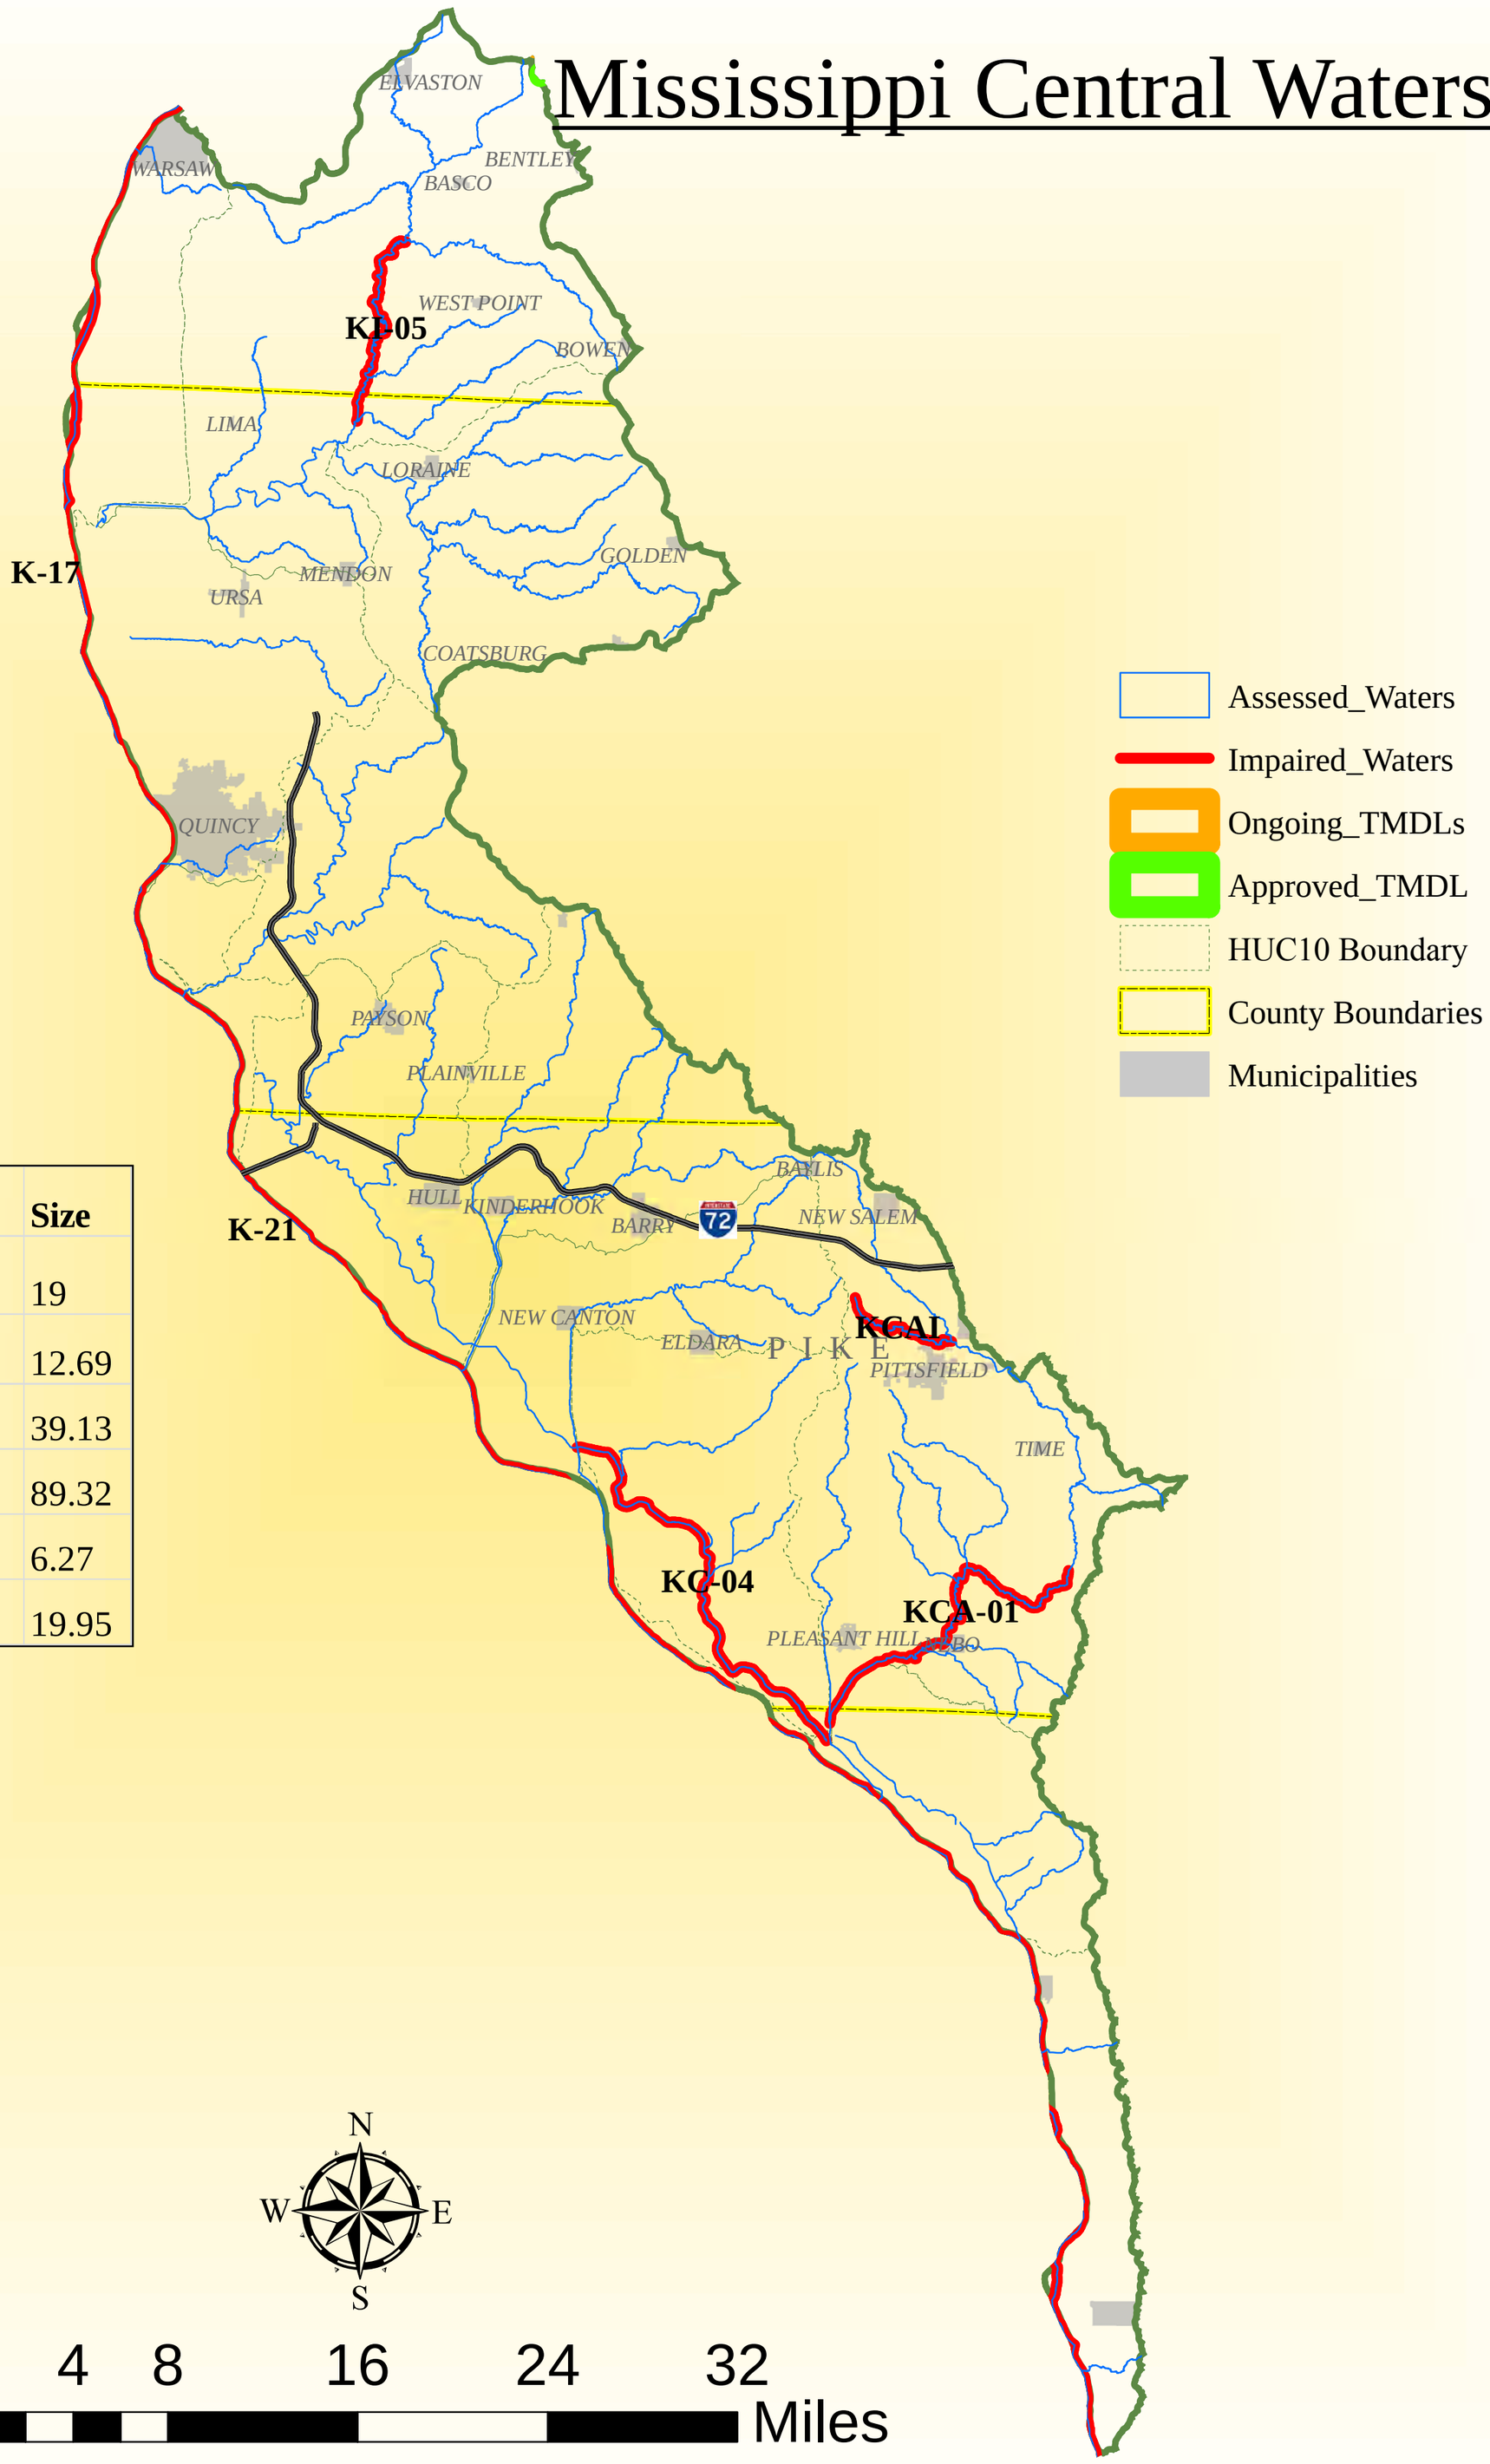

NAME	AUID	Size
Cedar Creek	LDD-11	9.78
Cedar Creek	LDD-14	9.09
Cedar Creek	LDD-23	6.43
Cedar Creek	LDD-A1	0.96

Waterbodies identified in the table are on Illinois' 2016 303(d) List.
Impaired Waters are those that have been assessed as not supporting at least one designated use.
Stream names are in lower case; lake names are in upper-case.
Assessment Unit ID's (AUID) are also shown in upper case. Size is given in miles for streams, and acres for lakes.
