The Illinois Environmental Protection Agency (Illinois EPA) hereby gives notice of its intent to approve a renewed Resource Conservation and Recovery Act (RCRA) permit that requires Safety-Kleen Systems, Inc (Caseyville Service Center) to continue to manage hazardous wastes and Potentially Infectious Medical Wastes (PIMW). The Caseyville Service Center, owned and operated by Safety-Kleen Systems, Inc. manages hazardous and non-hazardous wastes for storage and/or transfer to approved off-site waste management facilities. The facility is located at 20 Tucker Drive in Caseyville, Illinois.

The Illinois EPA is accepting written public comments on the draft renewal permit. After consideration of any comments received, the Illinois EPA will make a final decision on the permit.

Public Comment Period

Written comments must be received by 11:59 PM on September 8, 2026. If a significant degree of public interest is expressed in the draft permit, a public hearing or other information meeting may be held.

Written comments should be submitted to:

Sarah Brubaker, Office of Community Relations #5
Illinois Environmental Protection Agency
2520 West Iles Avenue, P.O. Box 19276
Springfield, Illinois 62794-9276
sarah.brubaker@illinois.gov

Additional guidance on submitting a comment is available at:

<https://epa.illinois.gov/topics/community-relations/public-notices/public-comment.html>

In response to public requests or at the discretion of the Illinois EPA, a public hearing may be held. A public hearing request must be made in writing, express opposition to the draft permit and state the nature of the issue(s) to be raised during the hearing. Written hearing requests should be sent to the Illinois EPA contact listed above by the end of the comment period. If applicable, public notice of a public hearing will be given at least 30 days in advance of a hearing.

All comments received will become part of the Administrative Record (AR) and will be evaluated by the Illinois EPA in making the final permit decision. The Illinois EPA will respond to comments on the draft renewal permit and indicate whether additional documents have been included in the AR. Commenters will be notified of the final permit decision and the permit decision appeal process.

The interested public is invited to review copies of the renewal permit application, draft renewal permit, and facility fact sheet at the Caseyville Public Library District, 2419 S. 2nd Street, Caseyville, Illinois 62232. The AR, including the renewal permit application, draft renewal permit, related information and all data submitted by the applicant, is now available for public inspection. Please call the Illinois EPA contact above for an appointment to view the documents at Illinois EPA office in Springfield. Copies of the draft permit and fact sheet are available at <https://epa.illinois.gov/public-notices/bol-permit-public-notice.html>.

Those interested in being added to the facility mailing list should contact the Illinois EPA contact identified above.

The facility is located in an area of Environmental Justice concern. More information concerning Environmental Justice may be found at <https://epa.illinois.gov/topics/environmental-justice.html>.
