

Illinois Environmental Protection Agency

Public Notice

**Hazardous Waste Post-Closure Care Plan Modification
City of North Chicago (fka Lavin & Sons) in North Chicago**

The Illinois Environmental Protection Agency (Illinois EPA) hereby gives notice of intent to approve a modification to a Resource Conservation and Recovery Act (RCRA) post-closure care plan for the City of North Chicago (fka Lavin & Sons) landfill. The facility is located at 2028 Sheridan Road in North Chicago. The facility's mailing address is 1850 Lewis Avenue, North Chicago, Illinois 60064-2050. The City of North Chicago is currently providing post-closure care under interim status. This modified post-closure care plan, once finalized, will require the City of North Chicago to clean close the former RCRA hazardous waste landfill.

Written comments on the draft modified post-closure care plan may be submitted during the 30-day comment period. **Send comments to the Illinois EPA contact listed at the end of this notice postmarked by 11:59 PM, May 16, 2025.** In response to public requests or at the discretion of the Illinois EPA, a public hearing can be held to clarify technical issues concerning the draft modified post-closure care plan. A public hearing request must be made in writing, express opposition to the draft modified post-closure care plan, and state the nature of the issue(s) to be raised at the hearing. Written hearing requests should be sent to the Illinois EPA contact listed below by the end of the comment period. Public notice will be issued 30 days before any hearing.

All comments received will become part of the Administrative Record (AR) and will be evaluated by the Illinois EPA in making the final decision. The Illinois EPA will respond to comments on the draft modified post-closure care plan and indicate whether additional documents have been included in the AR. Commenters will be notified of the final decision and the decision appeal process.

The facility is located in an area of Environmental Justice concern. More information concerning Environmental Justice may be found at <https://epa.illinois.gov/topics/environmental-justice.html>
