

Illinois Environmental Protection Agency
PUBLIC NOTICE OF HAZARDOUS WASTE PERMIT RENEWAL
Greenfield Environmental Multistate Trust LLC in Madison County

The Illinois Environmental Protection Agency (EPA) hereby gives notice of intent to approve a Resource Conservation and Recovery Act (RCRA) post-closure renewal permit for the Multistate Trust facility owned by Greenfield Environmental Multistate Trust LLC. The facility is located at 2 Washington Street in Madison, Illinois. Greenfield Environmental Multistate Trust LLC's facility is currently operating under a RCRA post-closure permit. This draft permit, once finalized, will require Greenfield Environmental Multistate Trust LLC to continue providing post-closure care for a hazardous waste impoundment closed as a landfill, conduct a groundwater corrective action program, and provide corrective action for the solid waste management units at the facility. The facility operated as a former wood treating plant.

The interested public is invited to review copies of the permit application, draft renewal post-closure permit and related fact sheet, at:

Madison Public Library
1700 5th Street
Madison, IL 62060

Written comments on the draft renewal post-closure permit may be submitted during the 45-day comment period. Send comments to the Illinois EPA contact listed at the end of this notice postmarked by midnight, April 26, 2024. In response to public requests or at the discretion of the Illinois EPA, a public hearing can be held to clarify technical issues concerning the draft renewal post-closure permit. A public hearing request must be made in writing, express opposition to the draft renewal post-closure permit and state the nature of the issue(s) to be raised at the hearing. Written hearing requests should be sent to the Illinois EPA contact listed below by the end of the comment period. Public notice will be issued 45 days before any hearing.

All comments received will become part of the Administrative Record (AR) and will be evaluated by the Illinois EPA in making the final post-closure permit decision. The Illinois EPA will respond to comments on the draft renewal post-closure permit and indicate whether additional documents have been included in the AR. Commenters will be notified of the final post-closure permit decision and the permit decision appeal process.

The facility is located in an area of Environmental Justice concern. More information concerning Environmental Justice may be found at <https://www2.illinois.gov/epa/topics/environmental-justice/Pages/default.aspx>.

The AR, including the permit application, draft renewal post-closure permit, related information and all data submitted by the applicant, is now available for public inspection by appointment Monday through Friday between 9:00 a.m. and 4:30 p.m. Please telephone or email the Illinois EPA contact below for an appointment to view the documents at Illinois EPA's offices in Springfield. Copies of the draft permit and other documents may also be available at <https://epa.illinois.gov/public-notices/bol-permit-public-notice.html>.
