

Illinois Environmental Protection Agency
PUBLIC NOTICE OF HAZARDOUS WASTE PERMIT RENEWAL
GFL Environmental, Inc. in Peoria

The Illinois Environmental Protection Agency (EPA) hereby gives notice of intent to approve a draft Resource Conservation and Recovery Act (RCRA) renewal permit for the GFL Environmental, Inc. facility (formerly owned by Peoria Disposal Company (PDC) located in Peoria. The facility's mailing address is 4700 N Sterling Ave. Peoria, IL 61615. GFL Environmental is currently operating under a RCRA permit. The draft renewal permit, once finalized, will require GFL Environmental, Inc. to continue to operate and maintain its hazardous waste management facility. GFL is allowed to receive non-hazardous waste from off-site generators for treatment. To continue treatment of hazardous waste, GFL is required to submit a new Waste Analysis and Treatment Plan to Illinois EPA for approval. All landfill units are now closed and are under post-closure care.

The interested public is invited to review copies of the renewal permit application, draft renewal permit and related fact sheet, at:

Peoria Public Downtown Library
107 NE Monroe Street
Peoria, IL 61602

Written comments on the draft renewal permit may be submitted during the 45-day comment period. Send comments to the Illinois EPA contact listed at the end of this notice postmarked by 11:59 PM, September 9, 2024. In response to public requests or at the discretion of the Illinois EPA, a public hearing can be held to clarify technical issues concerning the draft renewal permit. A public hearing request must be made in writing, express opposition to the draft renewal permit and state the nature of the issue(s) to be raised at the hearing. Written hearing requests should be sent to the Illinois EPA contact listed below by the end of the comment period. Public notice will be issued 45 days before any hearing.

All comments received will become part of the Administrative Record (AR) and will be evaluated by the Illinois EPA in making the final renewal permit decision. The Illinois EPA will respond to comments on the draft renewal permit and indicate whether additional documents have been included in the AR. Commenters will be notified of the final renewal permit decision and the permit decision appeal process.

The AR, including the renewal permit application, draft renewal permit, related information and all data submitted by the applicant, is now available for public inspection by appointment only Monday through Friday between 9:00 a.m. and 5:00 p.m. Please telephone the Illinois EPA contact below for an appointment to view the documents at Illinois EPA's offices in Springfield.
