Public Notice: Opportunity to Join Mailing List

Hazardous waste is regulated under Subtitle C of the Resource Conservation and Recovery Act (RCRA). Illinois is authorized by the U.S. Environmental Protection Agency to implement the permitting program for hazardous waste transporters, generators, and treatment, storage, and disposal facilities (TSDFs). The Illinois Environmental Protection Agency (Illinois EPA) maintains a mailing list of persons interested in RCRA permits. Persons on the list receive notice when a draft permit approval is sent for public comment. Public notices are provided for new, significant change renewal, closure, and corrective action applications under the RCRA permitting program.

Interested parties may join the mailing list by contacting the community relations coordinator below:
