

**Public Notice**  
**Stakeholder Engagement Online Meeting**  
**Comprehensive Climate Action Plan**

The State of Illinois is seeking input to develop Illinois' Comprehensive Climate Action Plan ("CCAP"). The CCAP is an actionable roadmap for climate that reflects our unique situation in Illinois, provides additional benefits outside of climate to our people and communities where possible, and incorporates feedback from the public and various stakeholders. This plan builds on the [Priority Climate Action Plan](#) ("PCAP") the state released in 2024, and on the state's ongoing work to implement its Climate Pollution Reduction Grant ("CPRG").

**The Illinois EPA will hold an online Stakeholder Engagement Meeting beginning at 1 PM on Thursday, July 10, 2025** to receive public feedback on the CCAP.

The Illinois EPA [CPRG website](#) includes a [Stakeholder Priorities Survey](#) for the purpose of gathering public input to guide climate and clean energy program and policies. Your priorities, thoughts, and feedback will help make this plan better and guide what our state does next to advance clean energy and address the climate crisis. You will also find a listserv signup on the CPRG webpage if you want to receive updates and stay informed on the progress of the plan. Comments and questions should be directed to [EPA.CPRG@illinois.gov](mailto:EPA.CPRG@illinois.gov).
