JB PRITZKER, GOVERNOR

JOHN J. KIM, DIRECTOR

## MEMORANDUM

**DATE:** September 11, 2023

**TO:** Chris Davis

**FROM:** Corey Branson *CBF*

**SUBJECT:** Grant Agreement Number: 21WWCTIRR01  
City of Cahokia Heights – CIPP Sewer Lining Main Trunkline - Levin Drive to Jerome Lane  
Project Number: TL-001 *(CIPP-01) CD*

I have reviewed the Construction Activities Documentation Form Part 1 and supporting documentation received by the Permit Section on September 6, 2023, from the Watershed Management Section for the City of Cahokia Heights. Cured-in-place (CIPP) lining will be installed in the main trunkline sewer beginning at the intersection of Jerome Lane and Goose Lake Road and ending at the intersection of Levin Drive and Laverne Drive. The project consists of equipment mobilization, traffic control and protection, care-of-flow, 12226 linear feet of cleaning and televising existing 30" diameter sewer, 12226 linear feet of 30" diameter CIPP liner, 4986 linear feet of cleaning and televising existing 24" diameter sewer and 4986 linear feet of 24" diameter CIPP liner.

The proposed project will not require a construction permit from the Permit Section. I find the Construction Activities Documentation Form Part 1 and supporting documentation approvable from the technical standpoint.
