## MEMORANDUM

**DATE:** September 11, 2023  
**TO:** Chris Davis  
**FROM:** Corey Branson *CBF*  
**SUBJECT:** Grant Agreement Number: 21WWCTIRR01  
City of Cahokia Heights – Sanitary Sewer Repair – 310 N. 73<sup>rd</sup> Street  
Project Number: SR-002 *(SSR-02) LD*

I have reviewed the Construction Activities Documentation Form Part 1 and supporting documentation received by the Permit Section on September 6, 2023, from the Watershed Management Section for the City of Cahokia Heights. Cured-in-place (CIPP) lining will be installed in the 8" diameter sewer at 310 N. 73<sup>rd</sup> Street. The project consists of equipment mobilization, traffic control and protection, dewatering, care-of-flow, 20 linear feet of removing and replacing 8" diameter sanitary sewer, 2 connections to existing sewer, 2 re-establishing service connections, 382 linear feet of cleaning and televising existing 8" diameter sewer, 402 linear feet of installing 8" diameter CIPP liner, seed and mulch, clearing, 20 linear feet of cleaning and televising new 8" diameter sewer and 80 linear feet of fencing.

The proposed project will not require a construction permit from the Permit Section. I find the Construction Activities Documentation Form Part 1 and supporting documentation approvable from the technical standpoint.
