**Re: Notice of Non-Issuance of Compliance Commitment Agreement
Lawrenceville WWTP – IL0029467 – W1010150002
Violation Notice: W-2025-50218**

Dear Facility Owner:

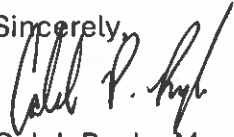

The Illinois Environmental Protection Agency ("Illinois EPA") has reviewed the proposed Compliance Commitment Agreement ("CCA") terms submitted by **Lawrenceville WWTP – IL0029467** in a letter dated **February 6, 2026**, in response to the Violation Notice dated **November 26, 2025**, and has decided not to issue a proposed CCA for these violations. Due to the nature and seriousness of the violations, the Illinois EPA has determined that these violations may not be able to be resolved without the involvement of the Office of the Attorney General or the State's Attorney.

Because the violations remain the subject of disagreement between the Illinois EPA and **Lawrenceville WWTP – IL0029467**, this matter will be considered for referral to the above-referenced prosecutorial authorities for formal enforcement action and the imposition of penalties.

Questions regarding this matter should be directed to **Tim Bejster** at **217-524-6672** or **Timothy.Bejster@illinois.gov**. Written communications should be directed to:

Illinois EPA – Division of Water Pollution Control
