**Re: Notice of Non-Issuance of Compliance Commitment Agreement
Violation Notice A-2025-00041
I.D. 031600FDK**

OCT 29 2025

Reviewer: SAB

Dear Mr. Rnich:

The Illinois Environmental Protection Agency ("Illinois EPA") has reviewed the proposed Compliance Commitment Agreement ("CCA") terms submitted by A-F Acquisition, LLC dba Pullman Innovations (Pullman Innovations) in letters received on July 23 and September 9, 2025, in response to the Violation Notice dated May 29, 2025, and subsequent meeting held on August 12, 2025, and has decided not to issue a proposed CCA for these violations. Due to the nature and seriousness of the violations, the Illinois EPA has determined that these violations may not be able to be resolved without the involvement of the Office of the Attorney General or the State's Attorney.

Because the violations remain the subject of disagreement between the Illinois EPA and Pullman Innovations, this matter will be considered for referral to the above-referenced prosecutorial authorities for formal enforcement action and the imposition of penalties.

Written communications should be directed to Alberto Alcantar, Illinois EPA, Bureau of Air, Compliance Section, P.O. Box 19276, Springfield, Illinois 62794-9276. All communications must include reference to the Violation Notice number in this matter.

Questions regarding this matter should be directed to Alberto Alcantar at 217/524-7637 or via email at alberto.alcantar@illinois.gov.

Sincerely,

Yasmine Keppner-Bauman, Acting Manager
