Student Contest Evaluation Form

Based on a scale of 1 to 5 (1 being poor to 5 being very good), give each work a rating in each category. Select the four posters and the four written works (poem and/or prose) with the highest score to represent your school. Send these eight entries to the Illinois EPA for further judging.

Note: All work should reflect the theme:

Water Pollution? We Have a Solution!

Entry ID #	Understanding of the Concept	Originality	Clear/ Accurate Message	Emphasis on Theme	Neatness/ Attractiveness (Art Works)	Readability/ Grammar (Written Works)	Effort	Total (out of 30)
