“CLIENT QUOTE”

“I was able to tell our school board that we could make \$7.7 million over the next 25-years, and spend no district dollars! A wonderful way to help our district and the environment! Win-win for everyone!”

Kevin Johnson, Dir. of Building & Grounds, Red Wing Schools

An aerial photograph of a large-scale solar farm. The solar panels are arranged in neat, parallel rows across a cleared area. The surrounding landscape includes green fields, some brown soil from recent clearing, and a line of trees in the distance under a blue sky with scattered white clouds. In the center of the image, the word "Questions?" is written in a large, bold, yellow, italicized font, overlaid on a semi-transparent dark blue rectangular background.

Questions?
