Re: Allied Asphalt Paving Co (Illinois EPA BOA ID# 031412AAR)
Federally Enforceable State Operating Permit (88030024)

To Distribution List:

In accordance with the Illinois EPA's Environmental Justice Policy, the Office of Environmental Justice wants to provide you with information about a potential action. The Illinois EPA is sending this letter to notify you of an application received by the Bureau of Air (BOA).

The Illinois EPA has received an application for renewal of the Federally Enforceable State Operating Permit for Allied Asphalt Paving Co located at 2200 Graham St. in Bartlett. This is a drum mix asphalt plant that operates a drum mixer equipped with baghouse and uses water sprays on emission units.

The application is currently under review by the BOA. FESOP renewals require public notice. Once ready for review, the Illinois EPA will post a public notice and draft permit on its website (<https://epa.illinois.gov/public-notices/boa-notices.html>) and will accept comments during the public notice period. The procedures for public participation in the Air Pollution Control Permit Program can be found at 35 Ill. Adm. Code Part 252. Inquiries concerning the availability of public comment or hearing in this matter may be addressed to Sarah Brubaker, Community Relations, at (217) 786-0790, sarah.brubaker@illinois.gov.

If you would like to sign up to receive notifications by email, please visit the Illinois EPA Environmental Justice webpage: <https://epa.illinois.gov/topics/environmental-justice.html>

If you have questions about the application, please contact Chris Pressnall, Manager of the Office of Environmental Justice at (217) 524-1284, EPA.OEJ@Illinois.gov.

Sincerely,

A handwritten signature in blue ink, appearing to read "Chris Pressnall".
