Construction Permit (24080015)

To Distribution List:

In accordance with the Illinois EPA's Environmental Justice Policy, the Office of Environmental Justice wants to provide you with information about a potential action. The Illinois EPA is sending this letter to notify you of an application received by the Bureau of Air (BOA).

The Illinois EPA has received an application for a Construction Permit for Archer Daniels Midland Co located at 4666 East Faries Parkway in Decatur. The application requests authorization to construct two new pneumatic conveyors. These conveyors would replace existing belt conveyors, transporting soybean meal and white flake from the vegetable oil extraction process to the elevator. The new conveyors would be equipped with process cyclones and controlled by the existing baghouse to reduce particulate matter emissions.

The application is currently under review by the BOA.

If you would like to sign up to receive notifications by email, please visit the Illinois EPA Environmental Justice webpage: <https://epa.illinois.gov/topics/environmental-justice.html>

If you have questions about the application, please contact Chris Pressnall, Manager of the Office of Environmental Justice at (217) 524-1284, EPA.OEJ@Illinois.gov.

Sincerely,
