Re: IIT Central Utility Plant (Illinois EPA BOA ID# 031600AVA)
Construction Permit (24040018); Federally Enforceable State Operating Permit (00010044)

To Distribution List:

In accordance with the Illinois EPA's Environmental Justice Policy, the Office of Environmental Justice wants to provide you with information about potential actions. The Illinois EPA is sending this letter to notify you of applications received by the Bureau of Air (BOA).

The Illinois EPA has received applications for a Construction Permit and revised Federally Enforceable State Operating Permit 00010044 for IIT Central Utility Plant located at 3430 S Federal St in Chicago. The Construction Permit application is for the trigeneration project (combined cooling, heat and power), which involves the decommissioning and replacement of old turbines and duct burners with high-efficiency equipment with emission controls. The source has also applied to revise their Federally Enforceable State Operating Permit, which will incorporate construction permit 24040018.

The applications are currently under review by the BOA.

If you would like to sign up to receive notifications by email, please visit the Illinois EPA Environmental Justice webpage: <https://epa.illinois.gov/topics/environmental-justice.html>

If you have questions about the application, please contact Chris Pressnall, Environmental Justice Coordinator at (217) 524-1284, EPA.OEJ@Illinois.gov.

Sincerely,

A handwritten signature in blue ink, appearing to read "Chris Pressnall".
