Re: Occidental Chemical Corp (Illinois EPA BOA ID# 031600AFI)  
Federally Enforceable State Operating Permit (99110109)

To Distribution List:

This Environmental Justice notification letter is to inform you that Occidental Chemical Corp located in Chicago at 4201 West 69th Street is applying for a Federally Enforceable State Operating Permit renewal (99110109) for their silicate plant. The Illinois EPA (IEPA) Bureau of Air (BOA) is reviewing the application. The Office of Environmental Justice welcomes your feedback.

The draft FESOP and instructions for submitting comments during the public comment period will be available on the IEPA's website (<https://epa.illinois.gov/public-notice/boa-notice.html>) once it is ready for review. For questions about the public comment period or a public hearing, contact Sarah Brubaker, Community Relations, at (217) 786-0790 or [sarah.brubaker@illinois.gov](mailto:sarah.brubaker@illinois.gov).

If you would like additional information regarding this project, such as the permit application, please submit a Freedom of Information Act (FOIA) request via the IEPA's online portal at <https://epa.illinois.gov/foia.html>.

If you would like to sign up to receive notifications by email, please visit the IEPA's Environmental Justice webpage, <https://epa.illinois.gov/topics/environmental-justice.html>.

Si desea inscribirse para recibir notificaciones por correo electrónico, por favor visite la página web de Justicia Ambiental, <https://epa.illinois.gov/topics/environmental-justice.html>.

For any other questions, please contact Chris Pressnall, Manager of the Office of Environmental Justice, at (217) 524-1284 or [EPA.OEJ@Illinois.gov](mailto:EPA.OEJ@Illinois.gov).

Sincerely,

A handwritten signature in blue ink, appearing to read "Chris Pressnall".
