Re: Zion Landfill Inc (Illinois EPA BOA ID# 097200AAV)  
Construction Permit (230500003)

To Distribution List:

In accordance with the Illinois EPA's Environmental Justice Policy, the Office of Environmental Justice wants to provide you with information about a potential action. The Illinois EPA is sending this letter to notify you of an application received by the Bureau of Air (BOA).

The Illinois EPA has received an application for a revision to Construction Permit 230500003 for Zion Landfill Inc located at 701 Green Bay Road in Zion. The application requests revisions to this construction permit issued in 2023 for an expansion to the landfill. The requested revisions would coordinate emission limits that are being addressed in Zion Landfill's application to revise Construction Permit 06100001, which requested to increase the permitted capacity of its open flare.

The application is currently under review by the BOA.

If you would like to sign up to receive notifications by email, please visit the Illinois EPA Environmental Justice webpage: <https://epa.illinois.gov/topics/environmental-justice.html>

If you have questions about the application, please contact Chris Pressnall, Environmental Justice Coordinator at (217) 524-1284, [EPA.OEJ@Illinois.gov](mailto:EPA.OEJ@Illinois.gov).  
Sincerely,

A blue ink handwritten signature of Chris Pressnall.

Chris Pressnall, Environmental Justice Coordinator
