General Construction or Demolition Debris Recovery Facility Quarterly Report

Instructions

Pursuant to 415 ILCS 5/22.38(b)(6), owners and operators of General Construction or Demolition Debris (“General CDD”) recovery facilities must submit to Illinois EPA quarterly reports that summarize type, amount, source, transporter, and destination of General CDD received and processed at the facility. These reports are due each October 1, January 1, April 1, and July 1. Below are the instructions for completing the Quarterly Report prescribed by Illinois EPA.

Step 1: Quarter – Enter the calendar quarter being accounted for on the form.

- Quarter 1: July through September
- Quarter 2: October through December
- Quarter 3: January through March
- Quarter 4: April through June

Step 2: Amount of GCDD Accepted – for the reporting quarter, enter the amount, in tons, of GCDD accepted at the facility.

Step 3: Amount of GCDD remaining on-site – For the reporting quarter, enter the amount, in tons, of GCDD remaining at the facility.

Step 4: Amount of GCDD transferred off-site - For the reporting quarter, enter the amount, in tons, of GCDD that have been transferred.

Step 5: Record Keeping procedures questions - Answer yes or no to the questions on the form about record-keeping procedures.

Step 6: List of transporters and receiving facilities – Include a list, along with the form, that tells the type of materials, source or place of origin, generator, transporter of the waste, and owner/operator of destination facilities for material transported off site.

Step 7: Sign form – Fill and sign the required spots.

Forms should be submitted to:
