 Compliance Section  
 Bureau of Land, MC #24  
 P.O. Box 19276  
 Springfield, IL 62794-9276

**Note:** Only hazardous educational wastes can be accepted. Hazardous educational wastes are a waste product that could pose a hazard during normal storage, transportation, or disposal generated from an instructional curriculum including laboratory wastes, expired chemicals, unstable compounds, and toxic or flammable materials. Hazardous educational waste does not include wastes generated as a result of building, grounds, or vehicle maintenance, asbestos abatement, lead paint abatement, or other non-curriculum activities.
