

# **Nutrient Science Advisory Committee**

## **Tentative Conclusions and Next Steps**

**June 14<sup>th</sup>, 2018**  
**Conference Call**

### **COMMITTEE UPDATE**

Doug McLaughlin has changed jobs and is resigning from the Nutrient Science Advisory Committee. Given that NSAC is in the final stages of report preparation, no replacement will be sought.

### **TENTATIVE CONCLUSIONS**

Timeline set for completion of the report. Decided the order of sections in the report and how to best present the criteria for non-wadeable streams.

### **NEXT STEPS**

- Continue working on report for Illinois EPA

Future meetings and calls

- Call July 10<sup>th</sup>, 2:00-3:00pm central
