

Urban Stormwater Tracking Subgroup

June 6, 2016, 1:30 – 2:30 pm

Call Meeting Notes

Present: Scott Ristau, Cindy Skrukud, Mike Warner, Stephen McCracken, Nancy Williamson, Mary Beth Falsey, Eliana Brown

Conclusions and Next Steps:

Conclusions

Tracking resources include:

- MS4 reporting

- 319 projects

- IGIG

- Illinois Department of Agriculture (streambank stabilization projects in urban areas)

Water quality is reflected by stormwater quantity reduction.

Next Steps

Eliana will send a draft charge.

Cindy will ask ISWS if P in Urban is dissolved or particulate.

Scott will send Illinois EPA 319 information.
