Re: Drug Take-Back Act Program Proposals (submitted by MED-Project and Inmar)

Dear Ms. Alstad and Dr. Travis:

Illinois EPA has finalized the review of the two (2) Manufacturer Program Operator Proposals ("proposals") and amendments submitted in accordance with 410 ILCS 720 ("Drug Take-Back Act" or "Act"). Pursuant to Section 35(a) of the Act, each covered manufacturer was required, individually or collectively, to submit a proposal to Illinois EPA by July 1, 2023, for the establishment and implementation of a Drug Take-Back Program. Inmar and MED-Project both submitted proposals on July 1, 2023 and June 30, 2023, respectively. Illinois EPA initially issued an approval of both proposals, pending modifications that the statutorily required coverage was met in all counties and all manufacturers were registered and paid fees with Illinois EPA before December 31, 2023.

As of this date, the proposals collectively are now in compliance with the Act.
